MEMORANDUM FOR [REDACTED] DIA

1. I have received the signed MOU from General Soyster and the following data have been provided in consonance with the agreement.

SG1J 2. I have reviewed one OER and one EER and both of them meet Army standards. I had to have [REDACTED] OER rewritten twice in order to meet Army standards.

3. Request that funds be MIPR'd to ODCSINT so that I can execute travel in behalf of the SUN STREAK Project. I have already taken two trips and paid for them out of my operating budget but I need to reimburse myself for these trips.

SG1J 4. Additionally, I have operational requirements to visit other sites. I will have [REDACTED] get with DIA's budget people, i.e. [REDACTED] to facilitate the transfer of TDY funds.

5. If you have any questions, please give me a call.
